Re: Letter of Support for Sewa Layanan Cloud dan Cloud Operation Center (COC) SATUSEHAT

To Whom It May Concern:

Amazon Web Services, Inc. (AWS) is very pleased to support PT Data Sinergitama Jaya Tbk in its efforts to assist Kementerian Kesehatan RI for Sewa Layanan Cloud dan Cloud Operation Center (COC) SATUSEHAT using the AWS Cloud. This letter confirms that PT Data Sinergitama Jaya Tbk is an AWS Partner Network (APN) AWS Advanced Partner in good standing.

PT Data Sinergitama Jaya Tbk participates in the following AWS Partner Programs: AWS Public Sector Solution Provider (Authorized Reseller of AWS).

AWS offers commercially available, web-scale computing services that help organizations avoid much of the heavy-lifting typically associated with launching and growing successful applications. These services are based on Amazon's own back-end technology infrastructure and incorporate over a decade and a half of experience building one of the world's most reliable, scalable, and cost-efficient web infrastructures. The use of AWS will provide you with access to expertise in large-scale distributed computing and operations and will enable your applications to be robust and scalable.

AWS values and appreciates the opportunity to support PT Data Sinergitama Jaya Tbk, and we look forward to a long and productive relationship. If you have any questions, or require additional information, please contact Albert Lay, Senior Partner Manager, at layalber@amazon.id or +6281807044070.

Sincerely,

Amazon Web Services, Inc.
